IMMUNIZATION REQUIREMENTS

Dear Parent / Custodian,

Beginning September 01, 2017, new requirements came into force under *the Immunization of School Pupils Act (ISPA)* from Ontario Ministry of Health and Long-Term Care. All students attending school between age of 4 – 17 years old need to be immunized. Students who are not fully immunized **may not be allowed** to attend school.

Followings are the School Immunization Checklist:

- Meningococcal disease
- Pertussis (whooping cough)
- Varicella (chickenpox) For children born in 2010 or later
- Diphtheria
- Tetanus
- Polio
- Measles
- Mumps
- Rubella

Thank you for your attention for above.

Best regards,
